Good morning everyone
Everything is going well in the first week of new semester
All the classes are making their effort to welcome the provincial inspection
But last Friday after school, a class went into a brawl and brought us shame!

Wha...
Yes, it's Class 5-3. A dozen of them went into conflict with hooligans at the park.
Wait...
Class 5-3 has been making a lot of troubles since Year 1, it's a pity they did again just at the start of the semester.
After careful consideration we decide to revoke their red flag, other punishments will be in 3 days.
Wait...
